

Who is a jockey?

- A) a person who cleans the horse's stall
- B) a person who puts horseshoes on a horse
- C) a person who rides a racehorse
- D) a veterinarian for horses

The correct answer is C, a person who rides a racehorse.

Where do horses live?

- A) stalls
- B) apartments
- C) arenas
- D) condos

The correct answer is A, stalls. Although some horses live in their pastures all the time, many horses like to live in a stall.

What food do all horses need to eat?

- A) apples
- B) oats
- C) hay
- D) carrots

The correct answer is C, hay.

The perfect diet will vary from horse to horse, but ALL horses need hay.

What is a group of horses called?

- A) a school
- B) a party
- C) a community
- D) a herd

The correct answer is D, a herd. Horses like to live in herds so they feel protected from predators.

What do you say when you want a horse to slow down?

- A) woah
- B) halt
- C) stop
- D) slow

The correct answer is A, woah.

"Woah" is a common voice command that tells the horse to slow down.
